What is Ùlpan?

Ulpan is word used in Israel for intensive language tuition for adults. It is a fast and effective way to learn. The system was adopted in Wales over forty years ago, where it has enabled thousands to reach fluency.

Ùlpan is fun!

An ulpan for Scottish Gaelic was launched in 2007 through generous financial assistance from Bòrd na Gàidhlig and Highlands and Islands Enterprise. It is seen as bringing hope to the many people, who wish to use Gaelic in their daily lives.

Who benefits from Ùlpan?

Simply anyone wishing to speak Gaelic naturally and with confidence.

For example, people who need Gaelic for their work, parents of children in Gaelic education, college and university students, people that have moved into a Gaelic-speaking community, employers wishing to provide language tuition in-house, and those simply wanting to enjoy the fun of speaking Gaelic!

Ùlpan -

- * fast and effective
- * well structured
- * from 2x1.5 hours/week to 36 hours/week
- * nationally coordinated classes
- * trained and accredited tutors
- *enjoyable

The emphasis is on use!

Many adult learners read and write Gaelic, better than they speak the language. Ùlpan targets conversation, reinforced with reading and writing. Students learn through the repetition of key structures and through speaking and understanding.

De th' ann an Ùlpan?

Thatar a' cleachdach am facal ulpan ann an Iosrael son dian-ionnsachadh càin aig inbhich. 'S e dòigh luath agus èifeachdach a th' ann. Rinneadh i freagarrach don Chuimris còrr is ceathrad bliadhna air ais agus a-nis tha na míltean fileanta air thaobh Ùlpan.

Is spòrs Ùlpan!

Le taic fhialaidh bho Bhòrd na Gàidhlig agus bho Iomairt na Gàidhealtachd, chaidh Ùlpan a chur air bhog ann an 2007. Bheir i brosnachadh do mhòran dhaoine aig a bheil ùidh ri Gàidhlig a chur gu feum nam beatha-san.

Cò bhluannaicheas bho Ùlpan?

Duine sam bith a tha miannach air Gàidhlig a bhruidhinn gu nàdarra 's le misneachd. Mar eisimpleir, na fheadhainn a dh'fheumas Gàidhlig airson an cuiid obrach, pàrrantan cloinne ann am foghlam tro mheadhan na Gàidhlig; oilleanach oilthighe no colaise, daoine air ùr-tighinn a thàmh ann an coimhearsnachd Ghàidhlig, fastaichean a' solar chothroman ionnsachaidh san àite-obrach, agus fiù 's iadsan nach eil a' lorg ach beagan cràc inntle!

Ùlpan -

- * luath agus èifeachdach
- * structair soilleir
- * edair 2x1.5 agus 36 uairean a thìde/seachdain
- * co-òrdanachadh nan clasainchean aig an ire nàiseanta

Tha cleachdadh os cionn gach nì!

Tha sgrìobhadh 's leughadh nas leasaichte na bruidhinn 's tuigsinn aig a' mhòr-chuid de luchd-ionnsachaidh. Bidh Ùlpan a' cuimseachadh air còmhchradh gu sònraichte ach ga dhaingneachadh le sgilean làirsinne. Thig comas tro ath-aithris nan seollaирtean agus tro bhruidhin n 's thuiginn.
